Respected Sir,

This is to inform that as per the new rules and guidelines of CBSE affiliation laws all the school affiliated to CBSE needs to submit the mandatory document of Fire Safety Recommendation Certificate obtained from the Competent Authority of the State under the Districts to which the School belongs.

Our school is a Govt. Aided School and the name of the school is Sambhota Tibetan School CVP(Cauvery Valley Project) Bylakuppe. We have already installed all the required Fire Extinguishers in the school in different parts of our Departments for Safety measure since 2018-19. All the Extinguishers have been refilled every year and are in working condition.

Therefore, I request your kind self to visit and inspect the school and kindly issue us the Fire Safety Certificate at the earliest Please. We need to upload this document in the CBSE SARAS form as mandatory. Your kind cooperation in this regard is highly appreciated.

Mob: 9886057969

Kindly put a note of acknowledgement to this registered letter by sending us the acknowledgement form back to the school please.

Thanking You

Yours Faithfully
